Media Partner

3D Metrology Conference & Exhibition - 3DMC 2017

About 3DMC

- Dedicated to the application and development of 3D measurement technology
- Attracts end users of 3D metrology systems, equipment and software suppliers, service providers, researchers and procurement and quality managers
- Presentation of use cases from aerospace, automotive, power generation, marine, off-shore, built environment, cultural heritage and virtual reality
- Large exhibition powered by popular metrology companies as well as start-ups
- Multiple networking events
- Meeting rooms for private networking or business

3D Metrology Conference & Exhibition - 3DMC 2017

... for delegates & exhibitors

Benefits for delegates:

- Hear presentations from experts on a spectrum of topics related to 3D metrology problems and solutions
- Discuss your own work with the 3D metrology community
- Get hands-on experience regarding the latest systems from major manufacturers
- Exchange knowledge and network with like-minded professionals
- Find many of your suppliers at one exhibition
- Discover the latest industry trends and best practice

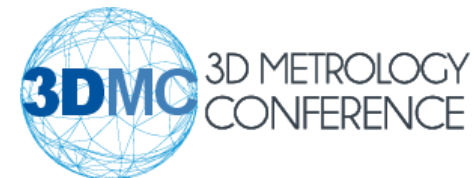

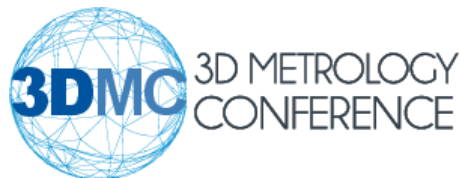

Benefits for exhibitors

- Meet new customers from a diverse range of industrial and research sectors
- Initiate workshops on specific applications of your products
- Engage with an audience specifically interested in 3D measurement
- Extend your European contact base
- Learn about new and upcoming applications and industry requirements

3D Metrology Conference & Exhibition - 3DMC 2017

Delegate institutions in 2016

Advanced Forming Research Centre, Airbus, AMETEK GmbH Division Creaform, Automated Precision Europe GmbH, AWE Aldermaston, Bruno Kessler Foundation, CATIM, Cracow University of Technology, Czech Technical University in Prague, D.I.Mendeleyev Institute for Metrology (VNIIM), Delft University of Technology, Dr. JOHANNES HEIDENHAIN GmbH, Dr.-Ing. Wesemann Ges. für Ingenieurgeodäsie mbH, ETH Zürich, FARO Europe GmbH & Co. KG, Frankfurt University of Applied Sciences, GDV Systems + Solutions GmbH, GEATOP srl, Geodesie Maintenance Services (GMS), GKN Aerospace, GOM mbH, Hella KGaA Hueck & Co., Hexagon Manufacturing Intelligence, ISG Industrielle Steuerungstechnik GmbH, Jade Hochschule, Karlsruher Institut für Technologie (KIT), Laser Zentrum Hannover e.V., LIFA Surveyors, Metromecanica Sarl, New River Kinematics, Nikon Metrology GmbH, Politecnico di Milano, Politecnico di Torino, Poznan University of Technology, Renishaw PLC, Scania CV AB, SCHOTT AG, SP Technical Research Institute of Sweden, SRAM, Steinmeyer Mechatronik GmbH, Tecnimex do Brasil, TU-Dresden, University of Bath, University of Sheffield, VMT GmbH, Warwick University, WZL Machine Tool Laboratory

3D Metrology Conference & Exhibition - 3DMC 2017

Pricing

Conference Delegate Pass (€ 390)

- Unlimited access to conference
- Unlimited access to innovation expo
- Includes ticket to welcome reception
- Includes ticket to evening networking event
- Includes lab tour and shuttle service

Register online!

www.3dmc.events

Exhibition Stand (€ 2250)

- Includes exhibition space (3m x 2m)
- Includes one conference delegate pass
- Includes support in advance by the organising committee

Exhibition Space for Startups (€ 890)

- Includes exhibition space (1.5m x 2m)
- Includes one conference delegate pass
- Includes support in advance by the organising committee
- For startups only, application required

3D Metrology Conference & Exhibition - 3DMC 2017

Agenda (outline)

Monday 9th. October

Location: WZL, Aachen University

14:00 – 18:00

- Commercial and educational workshops
- User group meetings
- See the car of the future at

e.GO

<http://e-go-mobile.com/en/>

18:00 .. ICEBREAKER

- Drinks at the new demo production facility

Tuesday 10th. October

Location: Tivoli Stadium, Aachen

08:30 – 17:30 (Lunchbreak 12:30 – 14:00)

- EXHIBITION and PRESENTATIONS (in parallel)

18:00 .. Networking

- Enjoy LIVE MUSIC at the Tivoli bar

Wednesday 11th. October

Location: Tivoli Stadium, Aachen

08:30 – 17:00 (Lunchbreak 12:30 – 14:00)

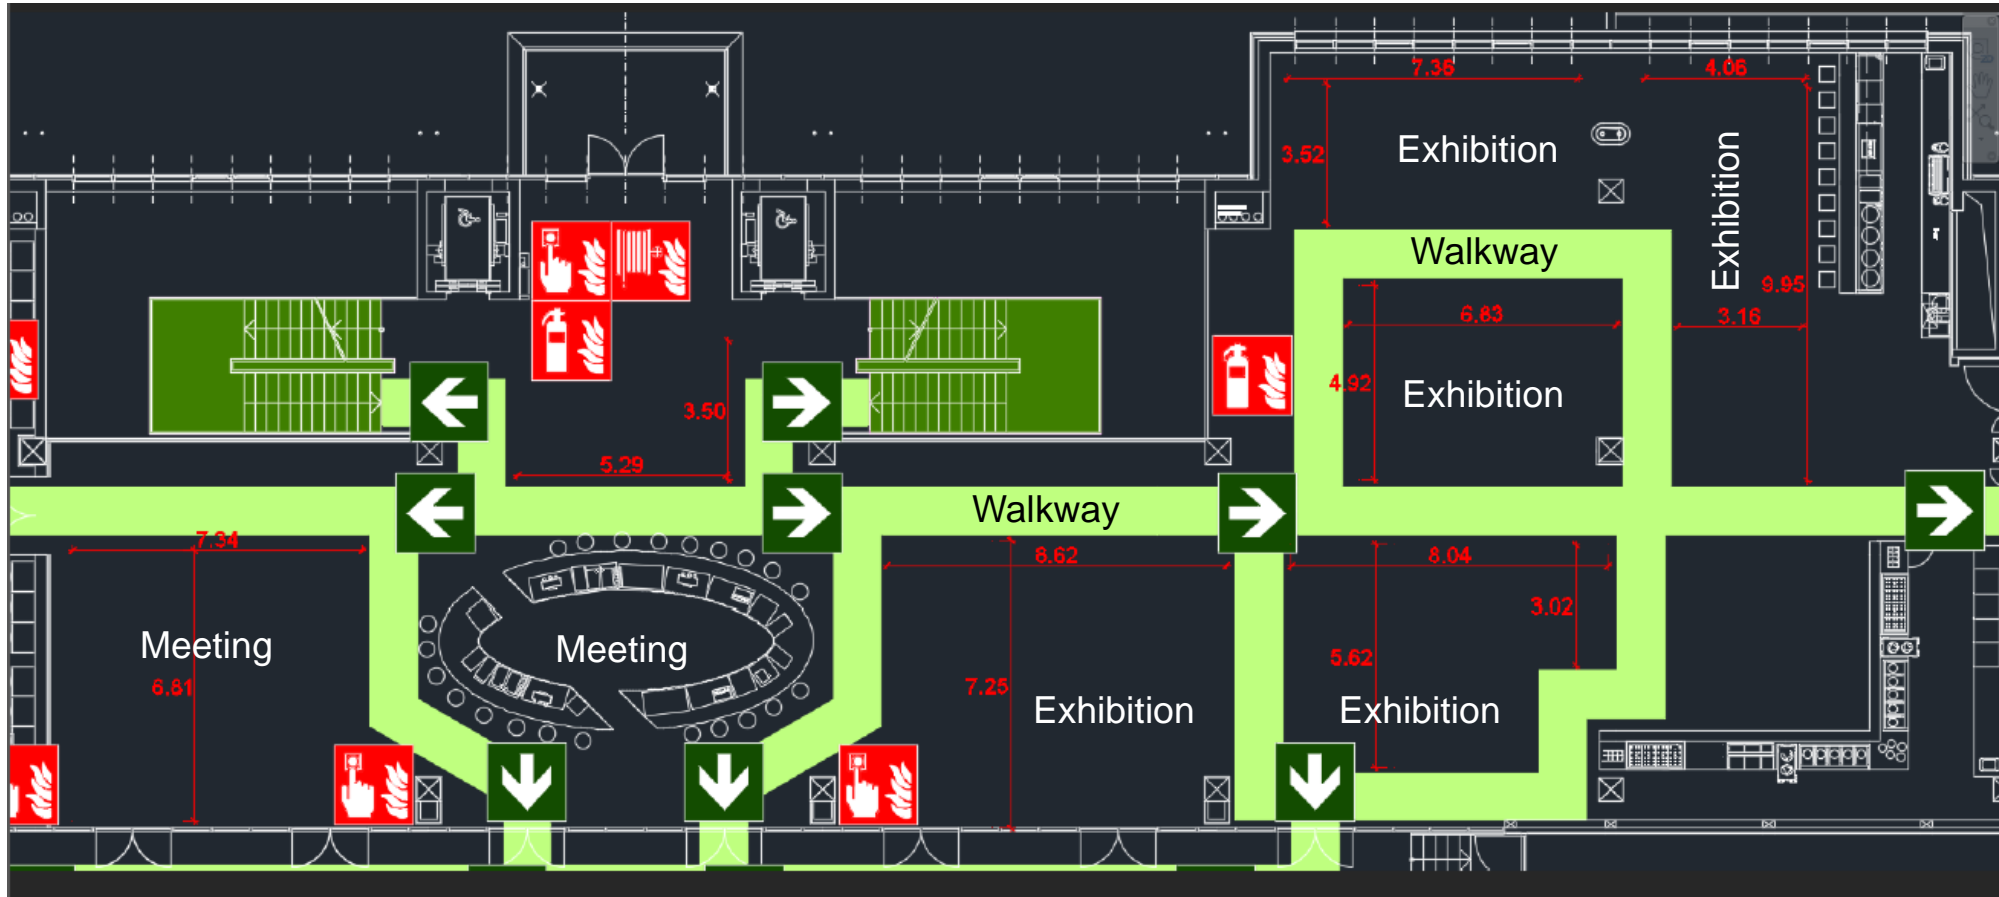

- EXHIBITION and PRESENTATIONS (in parallel)

18:00 .. Networking

- Meet in the Old Town and plan next year's event

3D Metrology Conference & Exhibition - 3DMC 2017

Provisional floorplan for exhibition & meeting space

.. more space is available
