3RD 3DMC
HAMBURG · GERMANY
OCTOBER 16 – 18, 2018

INDUSTRIAL ADVISORS 2016/17

		<p>The Industrial Advisory Board (IAB) ensures that the conference continues to be highly relevant to industrial interests and supports the Organizing Committee with its business insights. The IAB was formed in 2017 by members representing Airbus, GE, Insphere, Jaguar Land Rover, Rolls-Royce and sigma3D.</p>

IMPRESSIONS

LOCATION: KAISPEICHER

BENEFITS

HANDS-ON EXPERIENCE

Delegates get hands-on experience of the latest systems from major manufacturers.

INNOVATION EXPO

Exhibitors meet new customers from a diverse range of industrial and research sectors.

PRESENTATIONS

Use case presentations from academia, aerospace, automotive, power generation, etc. are featured.

NETWORKING

Various social events with open bar and catering encourage extensive networking.

ABOUT 3DMC

3DMC is dedicated to the application and development of 3D measurement technology for industrial, scientific and cultural purposes. After the successful start of the series in Aachen in 2016 and 2017, the forthcoming third event in Hamburg will be open to an even broader audience.
